

HAVE YOU HEARD ABOUT THE HIPPY PROGRAM?

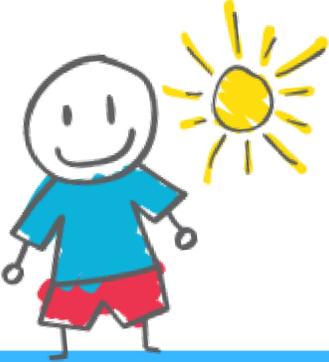

Do you have a child who is turning 3 years old next year?

The Home Interaction Program for Parents and Youngsters (HIPPY) is a two year home based program that empowers parents and carers to be their child's first teacher.

HIPPY offers families with children aged 3 - 5 years of age a foundation for learning in the home, supporting successful transition to school and future school participation.

The HIPPY program is delivered to the parents and carers by home tutors through home visits and parent groups. Families from Raymond Terrace and surrounding areas are encouraged to participate in this free program.

The HIPPY program also has paid employment opportunities for parents and carers from the local community (who have or have had a child in the program) to gain work as home tutors.

Best of all, the HIPPY program is FUN for everyone involved.
